

2018 NIHR Academic Clinical Fellowships (Formula and Competition Specialty Spread)

Date: 22/01/2018

HEE Local Office	Medical School	GMC Specialty Option 1	GMC Specialty Option 2	GMC Specialty Option 3	Research Theme
North East	Newcastle	Geriatric Medicine	Cardiology	General Practice	Older People and Complex Health Needs
Yorkshire & Humber	Leeds	Histopathology			
Yorkshire & Humber	Hull	Clinical Oncology	Medical Oncology		Older People and Complex Health Needs
Yorkshire & Humber	Sheffield	Respiratory Medicine	Cardiology		Platform Science (omics) and Bioinformatics
Yorkshire & Humber	Sheffield	Endocrinology and Diabetes Mellitus			Therapeutics or Clinical Pharmacology
North West	Manchester	Clinical Oncology	Intensive Care Medicine	Neurology	
North West	Manchester	Clinical Genetics	Histopathology	Ophthalmology	Platform Science (omics) and Bioinformatics
North West	Manchester	Dermatology	Rheumatology	Respiratory Medicine	Platform Science (omics) and Bioinformatics
North West	Lancaster	General Psychiatry	General Practice	Old Age Psychiatry	
North West	Lancaster	Public Health Medicine	Paediatrics	General Psychiatry	
North West	Lancaster	Paediatrics	Public Health Medicine	Anaesthetics	Platform Science (omics) and Bioinformatics
North West	Liverpool	Clinical Pharmacology and Therapeutics			
North West	Liverpool	Histopathology			Platform Science (omics) and Bioinformatics
West Midlands	Warwick	General Psychiatry			
West Midlands	Birmingham	Endocrinology and Diabetes Mellitus			
West Midlands	Birmingham	Paediatrics			Acute Care
West Midlands	Birmingham	Anaesthetics			Acute Care
East Midlands	Leicester	Renal Medicine	Respiratory Medicine	Endocrinology and Diabetes Mellitus	
West Midlands	Keele	General Practice			
West Midlands	Keele	Rheumatology			
West Midlands	Keele	Respiratory Medicine			
East Midlands	Nottingham	Paediatrics	Renal Medicine	Old Age Psychiatry	Medical Education
Thames Valley	Oxford	General Practice			Older People and Complex Health Needs
East of England	Cambridge	Cardiology	Clinical Pharmacology and Therapeutics	Renal Medicine	
East of England	Cambridge	Clinical Pharmacology and Therapeutics			Therapeutics or Clinical Pharmacology
East of England	Cambridge	Old Age Psychiatry	General Psychiatry		Dementia
East of England	Cambridge	Public Health Medicine	General Surgery		
East of England	UEA	Cardiology	Geriatric Medicine	Endocrinology and Diabetes Mellitus	Older People and Complex Health Needs
East of England	UEA	Old Age Psychiatry			
North West London	Imperial College	General Surgery			
North West London	Imperial College	Genito-Urinary Medicine			
North West London	Imperial College	Respiratory Medicine			
North West London	Imperial College	Clinical Pharmacology and Therapeutics	Medical Oncology	Paediatrics	Therapeutics or Clinical Pharmacology
North West London	Imperial College	Medical Oncology	Paediatrics	Clinical Pharmacology and Therapeutics	Therapeutics or Clinical Pharmacology
North Central and East London	UCL	Child and Adolescent Psychiatry			
North Central and East London	UCL	Renal Medicine			
North Central and East London	UCL	General Practice	Public Health Medicine	Geriatric Medicine	Older People and Complex Health Needs
North Central and East London	UCL	General Practice			Medical Education
North Central and East London	UCL	Intensive Care Medicine			Acute Care
North Central and East London	QMUL	Intensive Care Medicine	Emergency Medicine	General Surgery	Acute Care
North Central and East London	QMUL	Endocrinology and Diabetes Mellitus	Clinical Pharmacology and Therapeutics	General Practice	Platform Science (omics) and Bioinformatics
South London	King's College	Renal Medicine			
South West	Exeter	Endocrinology and Diabetes Mellitus	Clinical Genetics	Gastroenterology	Platform Science (omics) and Bioinformatics
South West	Exeter	Old Age Psychiatry	Geriatric Medicine		Dementia
South West	Plymouth	Emergency Medicine	Urology	Respiratory Medicine	
South West	Plymouth	Gastroenterology	Medical Education	General Psychiatry	
Wessex	Southampton	Intensive Care Medicine			Acute Care
Wessex	Southampton	Respiratory Medicine			Platform Science (omics) and Bioinformatics
