

## NIHR Fellowships – Review Panels

- The remit of the Panels is to support the development of the scheme, assess applications, interview candidates and make funding recommendations based on quality.
- The NIHR Doctoral Research Fellowship (DRF) applications are reviewed by three Panels. The NIHR Postdoctoral Fellowship (PDF) applications are reviewed by one Panel. The NIHR Career Development Fellowship (CDF), Senior Research Fellowship (SRF) and Transitional Research Fellowship (TRF) applications are reviewed by one Panel.
- The application pack for each NIHR Fellowship gives full details of the selection process. The make-up of the Panel is reviewed regularly and adjusted in response to need.
- The interview panels for the 2017 NIHR Fellowships will be composed from the members listed below.
