

# Mental Health Portfolio

The Mental Health Portfolio includes projects funded by the:

- National Institute for Health Research Evaluations, Trials and Studies Coordinating Centre (NETSCC)
- Central Commissioning Facility (CCF)
- Trainees Coordinating Centre (TCC)

The portfolio contains projects which have been funded up until August 2017 (with a partial update in October 2017). Please note that this is a working document used for internal NIHR purposes but potential applicants to the Themed Call may find it helpful.

Further information may be found via the hyperlinks provided and from the [NIHR Journals Library](#).
