

Are you interested in health research?

Join an [NIHR](#) committee!

The NIHR involves patients and members of the public in the work of the advisory committees that prioritise and recommend health and social care research applications for funding. Two of our national coordinating centres, [NIHR Central Commissioning Facility \(CCF\)](#) and [NIHR Evaluation, Trials and Studies Coordinating Centre \(NETSCC\)](#) are currently looking for members of the public to join one of the following national and regional committees.

[Invention for Innovation \(i4i\) programme](#)

Two to four members across three funding streams

[Research for Patient Benefit \(RfPB\) programme](#)

Six members across three Regional funding committees: East of England (x2), London (x2) and West Midlands (x2)

[Health Services and Delivery Research \(HS&DR\) programme](#)

One member for the prioritisation committee
