The Efficacy and Mechanism Evaluation (EME) Programme is accepting Stage 1 applications to this funding opportunity. The programme is interested in receiving applications to meet recommendations in research identified in [NICE guidance](https://www.nice.org.uk/guidance/published?type=apg,csg,cg,cov,mpg,ph,sg,sc,dg,hst,ipg,mtg,qs,ta) (<https://www.nice.org.uk/guidance/published?type=apg,csg,cg,cov,mpg,ph,sg,sc,dg,hst,ipg,mtg,qs,ta>) that has been published or updated in the last 5 years.

Proposals must be within the remit of the EME Programme and the primary outcome measure must be health related. This call is also open in the [Health Technology Assessment \(HTA\)](/research-funding/funding-programmes/health-technology-assessment) (</research-funding/funding-programmes/health-technology-assessment>), [Health and Social Care Delivery Research \(HSDR\)](/research-funding/funding-programmes/health-and-social-care-delivery-research) (</research-funding/funding-programmes/health-and-social-care-delivery-research>) and [Public Health Research \(PHR\)](https://www.nihr.ac.uk/research-funding/funding-programmes/public-health-research) (<https://www.nihr.ac.uk/research-funding/funding-programmes/public-health-research>) programmes for proposals which fall within the remit of those programmes – applicants should apply directly to the relevant programme.

**Apply now**

In order to apply you will need to carefully review the:

- [Specification document](/nihr-nice-rolling-call-specification-document) (</nihr-nice-rolling-call-specification-document>)
- [Stage 1 guidance notes](https://www.nihr.ac.uk/eme-programme-stage-1-guidance-notes-realms) (<https://www.nihr.ac.uk/eme-programme-stage-1-guidance-notes-realms>)

The [EME application supporting information](/eme-programme-supporting-information-realms) (</eme-programme-supporting-information-realms>) provides further details on:

- eligibility
- collaboration and team expertise
- timescales
- funding limits
- guidance on applying

All proposals submitted must fall within the [scope of the EME Programme](/research-funding/funding-programmes/efficacy-and-mechanism-evaluation) (</research-funding/funding-programmes/efficacy-and-mechanism-evaluation>).

All primary research projects are expected to establish a programme appointed Study Steering Committee and it is important that you read the [Research Governance Guidance](/about-us/who-we-are/policies-and-guidelines/research-governance-guidelines) (</about-us/who-we-are/policies-and-guidelines/research-governance-guidelines>) before completing your application. Costs incurred by this committee should be included in the budget as appropriate.

## Research support service

Got a research idea and not sure how to turn it into a funding application? The free NIHR Research Support Service (RSS) supports researchers in England to apply for funding, and to develop and deliver clinical and applied health, social care and public health research post award. [Find out how the RSS can help you](https://www.nihr.ac.uk/explore-nihr/support/research-support-service/) (<https://www.nihr.ac.uk/explore-nihr/support/research-support-service/>).

## Download application form template

You can download a template of the application form below. Please use this template as a guide to help you prepare your application. This Word document of the Stage 1 application form is to be used as a guide only. It is designed to help you complete the online application form only. For example, to see how many characters are accepted in each section and to see how information in the form is laid out. Please do not try to use this as an application form. You must submit your application in our online Awards Management System which you can access by clicking on the 'Apply now' links when a funding opportunity is open.
